RESOLUTION NO. 33 , 2014

A RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT WITH NORTH AMERICAN SALT COMPANY FOR THE PURCHASE OF DE-ICING ROCK SALT FOR THE 2015 SEASON

WHEREAS, R.C. § 9.48 authorizes counties, townships and municipal corporations to participate in joint purchasing programs with other municipal corporations for the purchase of machinery, materials and supplies without advertisement and without bids; and

WHEREAS, for the winter season 2015, the City of Cincinnati has competitively bid for the bulk purchase of de-icing rock salt consistent with the rules, regulations and laws of the City of Cincinnati, and which competitive bid did authorize the City of Cincinnati to extend its terms for purchase to other communities in and around Hamilton County, Ohio; and

WHEREAS, the Montgomery City Administration believes that participating in the joint program and bid through the City of Cincinnati is more economically efficient and provides a better benefit to Montgomery than separately bidding such purchase.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Montgomery, Hamilton County, Ohio, that:

SECTION 1. The City Manager is hereby authorized to enter into a contract with North American Salt Company for the purchase of de-icing rock salt for the 2015 winter season through the contract bid granted by the City of Cincinnati to North American Salt Company at the cost of $75.86 per ton with the minimum purchase of 1,200 tons and

a maximum purchase of 1,800 tons. The total cost for this contract shall not exceed $136,548.00.

SECTION 2. Council hereby finds that purchasing through the contract with the City of Cincinnati is in the best interest of the City of Montgomery and is consistent with the terms and conditions of R.C. § 9.48.

SECTION 3. This Resolution shall be in full force and effect from and after its passage.
